Football Victoria Development
Police Screening/Check Procedure and Policy
For Coach Accreditation Programs

Football Victoria in its commitment to enhance the playing environment of all participants in Australian Football, has developed a Police Screening/Check Policy and Procedures document for use in identifying individuals who should not occupy coaching roles in our sport whether they be paid or voluntary.

The aim of this flyer is to outline the offences that Football Victoria would view as grounds for refusal to receive coach accreditation status in the state of Victoria.

Please note this policy is related to Police Checks conducted on persons residing in Victoria only. If screening an applicant from another state, that state's Information Release Policy must be followed.

Applicants seeking entry into Coach Accreditation Programs conducted by Football Victoria need to consent to a Police Screening and/or Check at their own expense. A full transcript of the Football Victoria Police Screening/Check Procedure and Policy for Accreditation Programs is available by visiting www.footballvic.com.au and clicking the "DEVELOPMENT" tab and then the "COACHING" icon or alternatively, on request from course convenors conducting accreditation courses on behalf of Football Victoria.

Also, this document is to be read in conjunction with the *Victorian Records Information Release Policy* and the *Procedures for Organisations Conducting National Police Records Checks* which are available in a summarised form from convenors conducting Football Victoria Coaching Accreditation Courses on request and/or full transcripts can be accessed by contacting Public Enquiry Service, Victoria Police, PO Box 415, Melbourne Victoria, 3005 or phone 9247 5907.
